

Account Setup Checklist

Play Before Pixels, a trade name of AlphaPlay LLC · about 2–3 hours · do the steps in this order. Everything goes in the LLC's name, never your personal accounts.

Have ready: the LLC's EIN letter · your photo ID (two IDs for the PO Box) · the Chase business card · a password manager · your phone for codes. Turn on two-factor login (authenticator app) on every account and save the recovery codes in the password manager.

1. Business bank account 30 MIN · ONLINE

- ☐ A no-fee, no-minimum business checking account, with a separate savings sub-account for taxes.
- ☐ Account holder: AlphaPlay LLC · DBA: Play Before Pixels · Tax ID: **the LLC's EIN** (never your Social Security number).
- ☐ Write the account and routing numbers into your password manager; every shop below pays out here.

2. Domain and business email 15 MIN

- ☐ At cloudflare.com: register `playbeforepixels.com` · turn on **auto-renew** and **registrar lock**.
- ☐ Registrant: AlphaPlay LLC. Keep WHOIS privacy on.
- ☐ Create the business email `hello@playbeforepixels.com` (Cloudflare Email Routing or your existing Google Workspace). Use it for every account below.

3. PO Box 10 MIN ONLINE + ONE VISIT

- ☐ Reserve at usps.com (small box is enough). Bring two IDs to the counter.
- ☐ The PO Box becomes the **only public address**: email footers, policies, shop profiles, KDP proof delivery.

Never enter: your home address on any public profile · your photo · your children · your employer · a personal phone number as a public contact.

4. Etsy 20 MIN

- ☐ Shop name: PlayBeforePixels · Seller type: **business**, legal name AlphaPlay LLC, EIN.
- ☐ Payouts: the new bank account, deposit schedule weekly.
- ☐ Shop icon and banners: `marketing/social-kit/etsy-shop-icon-500.png` , `etsy-banner-3360x840.png` .
- ☐ Put the shop on **vacation mode**. Do not list anything until your lawyer's written yes.

5. Amazon KDP + book proof 30 MIN

- ☐ kdp.amazon.com · tax interview as **AlphaPlay LLC** with the EIN · bank for royalties.
- ☐ Create paperback: files and text in `ops/UPLOAD-PACKETS/kdp/01-100-screen-free-plays/` . Author/brand: Play Before Pixels . ISBN: **get a free KDP ISBN**. Expanded Distribution: **off**.
- ☐ Save as draft, then **Order proof copy** shipped to the PO Box. Don't click Publish until the proof looks right and the website is live.

6. Gumroad 15 MIN

- ☐ Username: `playbeforepixels` · Name: Play Before Pixels · payout: the new bank account · tax info: LLC + EIN.
- ☐ Leave products unpublished; the pages are ready in `ops/UPLOAD-PACKETS/gumroad/`.

7. Pinterest 10 MIN

- ☐ Create a **Business** account · username `playbeforepixels` · display name Play Before Pixels.
- ☐ Profile image: `marketing/social-kit/avatar-1080.png` · bio: copy from `marketing/social-kit/BIOS.md` (Pinterest section).
- ☐ Claim the website `playbeforepixels.com` once the domain is live.

8. Hand the keys to Claude 10 MIN

- ☐ Never paste a key, password or code into chat.
- ☐ Add each platform's access key in the Claude cloud environment → Edit → **API credentials** (names and hosts are in `ops/CLOUD-RUNBOOK.md`).
- ☐ Tell Claude "accounts are open." Claude does the listings, pins and store setup from there.
