A note for grown-ups

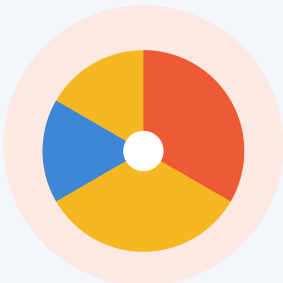

FOUNDER: REWRITE THIS PAGE IN YOUR OWN WORDS BEFORE PUBLISHING

This book is small on purpose. One word, one picture and one thing to copy on each page, so there is room for the most important part: the two of you, taking turns.

You don't need to read every tip, finish the book or get anything right. Go slow. Wait. Copy your child's sounds and moves, and let them copy yours. That back-and-forth is the whole idea.

Thank you for reading with your little one.

How to read this book together

Say it

a sound to copy

Sign it

a simple hand sign

Act it

a move to do together

1

Go slow. One word per page. Say it, point to the picture, then pause.

2

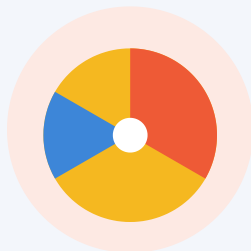

Wait for a turn. Count to five in your head. A look, a point or a sound is your child's turn.

3

Copy each other. Try the say it, sign it or act it idea. Then copy whatever your child does back.

4

Pick any tip, skip any tip. It's their book: skip ahead, go back, or stay on one page.

Every child talks on their own timeline. If you have questions about your child's speech or development, your child's doctor is a good place to start.

hi

Wave hello!

GROWN-UP TIP **Take turns.** Say “hi!”, then count to five in your head. A look, wave or sound back counts as a turn.

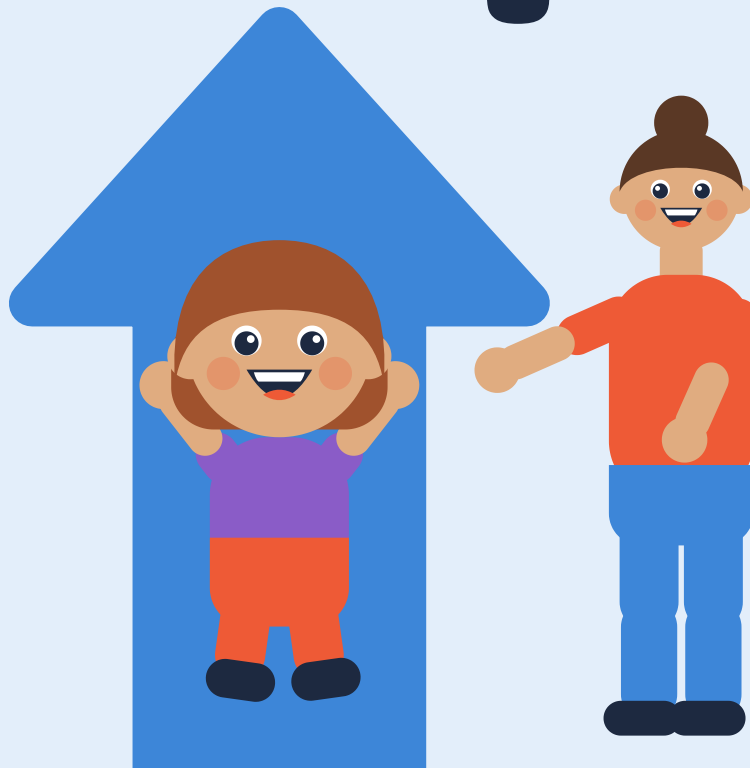

peekaboo

Hide your eyes... boo!

GROWN-UP TIP Build the pause. Hide, wait a beat, then pop out. Soon your child will fill that pause with a squeal or a sound.

up

Reach your arms up high

GROWN-UP TIP **Wait for it.** Hold your arms out, then pause. When they reach up, say “up!” as you lift.

down

Let your voice slide: dooown!

GROWN-UP TIP Say it big. Crouch low and stretch the word out. Slow, playful words are easier to copy.

go

Ready, set... go!

GROWN-UP TIP Leave a **gap**. Say “Ready, set...” then stop and wait. Let your child fill in “go!” Any sound counts.

stop

Hold up a flat hand

GROWN-UP TIP Make it a game. Zoom a toy car and freeze on “stop!” Then let your child be the one who says it.

ball

SAY IT

Bounce, bounce, boing!

GROWN-UP TIP Add one word. If your child says “ball,” you say “big ball” or “roll ball.” Just one step ahead.

in

In it goes... plop!

GROWN-UP TIP Repeat it. Drop blocks in one at a time: "in... in... in!" Words heard again and again are easier to try.

open

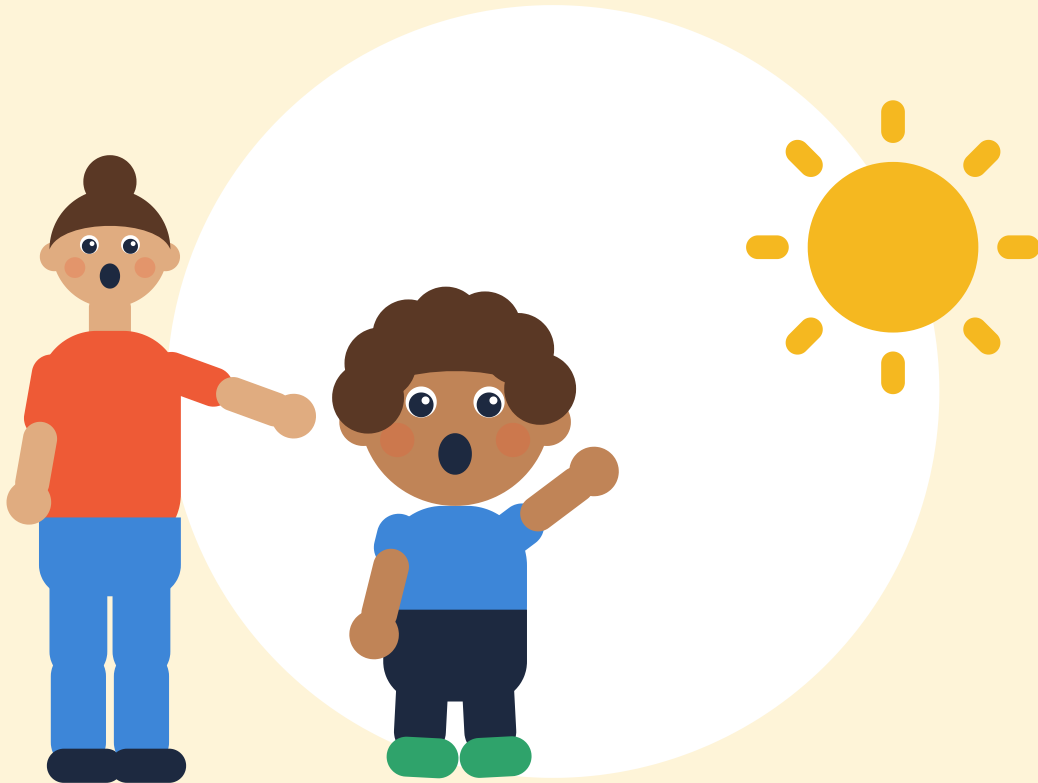

ACT IT

Close your hands, then pop them open

GROWN-UP TIP **Wait for a signal.** Hold the box shut and wait. A look, a tap or a sound tells you what they want.

WOW

Make a round mouth: wooow!

GROWN-UP TIP Say what you see. Look where your child looks and name it: "Wow! Big sun!" Short and bright beats long and busy.

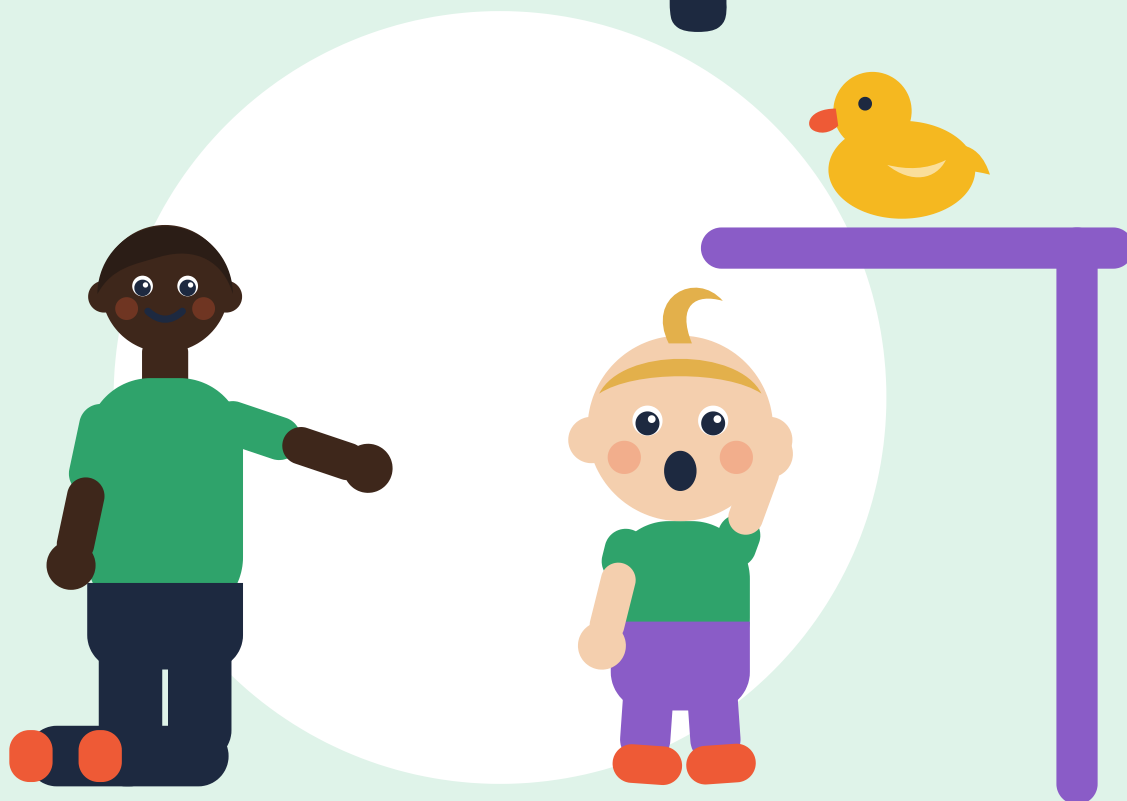

uh-oh

Hands on cheeks: uh-oh!

GROWN-UP TIP Name the moment. Little tumbles are talk moments. Say “uh-oh!” with a big face, then wait.

help

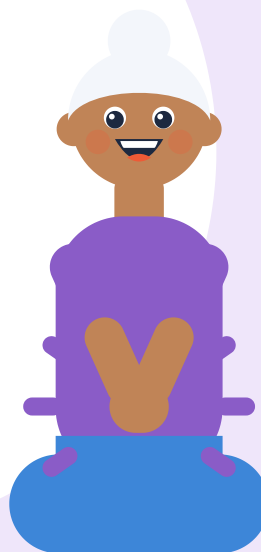

SIGN IT

Fist on open palm, lift up

GROWN-UP TIP Set up a reason to ask. Put a favorite toy just out of reach and wait. A reach, point or sound is asking.

clap

ACT IT

Clap, clap, clap!

GROWN-UP TIP **Copy them.** Clap back the way your child claps: fast, slow, loud or soft. Copying says “I’m listening.”

shoe

Stomp, stomp your feet

GROWN-UP TIP Follow their lead. Grabbed a shoe? Talk about the shoe: “Your shoe. Big shoe. Shoe on!”

eat

SIGN IT

Fingertips to your lips

GROWN-UP TIP **Talk about now.** Name what is happening at the table as it happens: “Eat. You eat. Yum!”

cup

Sip, sip... ahh!

GROWN-UP TIP **Keep it short.** Two or three words at a time: "Cup. Your cup. Sip!"
Short phrases are easy to copy.

more

SIGN IT

Tap your fingertips together

GROWN-UP TIP **Pause the fun.** Stop the bubbles, ask “more?” and wait. A sign, a look or a sound means go again.

all done

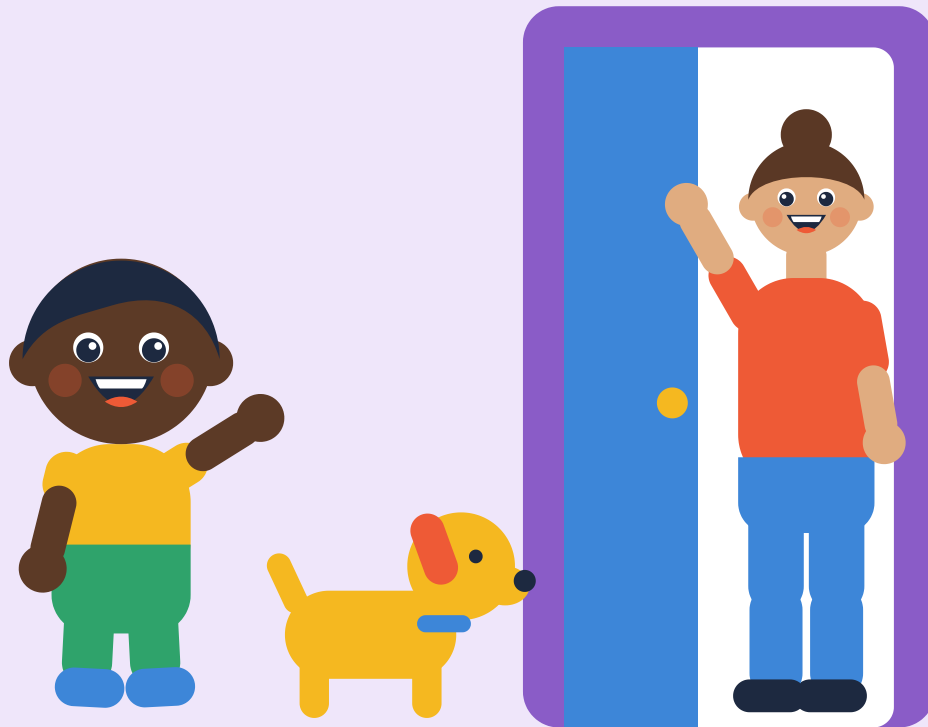

SIGN IT

Shake open hands side to side

GROWN-UP TIP Offer a choice. “More, or all done?” Hold up a hand for each. A point is a real answer.

bye-bye

Blow a kiss: mwah!

GROWN-UP TIP Make it a routine. Same wave, same words, every time. Words that repeat are the easiest to pick up.

book

SIGN IT

Press palms together, then open

GROWN-UP TIP **Let them turn.** Let your child turn the pages and choose where to stop. Name whatever they point at.

hug

Hug yourself tight

GROWN-UP TIP **Sing it.** Put “hug” in any tune you know (“hug, hug, hug!”) and squeeze on the last one.

night-night

SAY IT

Whisper: shhh... zzz

GROWN-UP TIP Wind down. Say “night-night” to everything: the duck, the moon, even the tablet. A calm goodnight game.

Keep the words going

These words live all through your day. Use them again and again, in the same moments.
