

Type your own words, then print

Every gray line in this file is a box you can type into. Use your family's words, a home language, a pet's name or a brand-new routine.

1

Open in Adobe Acrobat Reader

It's free on computers, tablets and phones. Browser PDF viewers and some preview apps may not save typed text.

2

Click a box and type

Text sizes itself to fit. Keep card labels to one to three words so they're easy to read at a glance.

3

Save a copy

Use "Save as" with a new name so you keep a clean blank file for next time.

4

Print at 100%

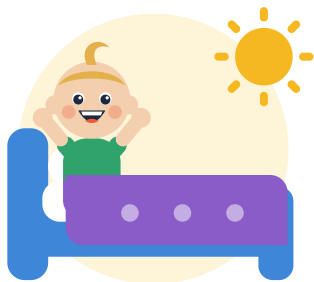

Choose Actual size on cardstock. Or skip typing entirely: print the blanks and write or draw with a marker.

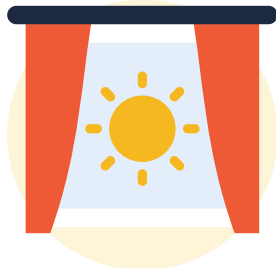

What's in this file

All 228 picture cards with a blank label to type your own word · blank cards in all 4 colorways · every chart layout with a title you can type · big-kid checklists with typeable jobs and tick boxes (Monday and Sunday starts).

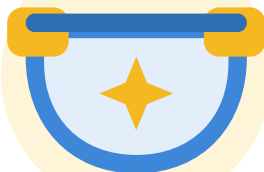

Prefer Canva?

The Canva-ready PNG folder in your download has every card, the art on its own (transparent background), blank frames and chart backgrounds. Upload them to a free Canva account and add your own text.
