

Play-First Family Kit

Thank you! Here's what each file holds and how to print and fill it in. About 20 minutes to prep, then reusable.

Your files

- **play-first-family-kit.pdf** · Full color, US Letter
- **play-first-family-kit-a4.pdf** · Full color, A4
- **play-first-family-kit-low-ink.pdf** · White backgrounds, line art to color, US Letter
- **play-first-family-kit-low-ink-a4.pdf** · Low-ink, A4
- **Canva-ready PNGs** · Blank checklists, charts and plan pages (US Letter and A4 sizes) to decorate in Canva or any photo app

Pick one file for your paper size. Color and low-ink files hold the same tools; the color file adds 4 colorways of each checklist.

Printing

- Print at **100% / Actual size**.
- Print only the pages you need. Page 2 of each file is a contents list.
- Cardstock for tokens, cards and the board.

Filling in

- Open the PDF in free **Adobe Acrobat Reader** (computer or phone) and tap a line to type.
- You can type names, dates, jobs, rules, token ideas and plan answers. Colors and pictures can't be changed.
- Save, then print. Or print blank and write by hand.
