

Shhh... the tablet is sleeping. So what shall we do?

Build a tower (CRASH!). Splash every puddle. Blast off in a cardboard-box rocket with Biscuit the dog as co-pilot. Flip pancakes with Papa, then find the perfect bedtime book.

A funny, cozy read-aloud with a refrain kids love to join in on, and one very sleepy tablet in a nightcap. With “Talk about it” questions and a Play Day planner for grown-ups.
