

100 Screen-Free Plays for Ages 0–5

Thank you! Here's what each file holds and how to print and type into it. Prep budget: no prep for 66 plays, about 2 minutes for 31 and about 10 minutes for 3. 89 plays need nothing to buy. No cutting, no laminating.

Your files

- **guide-100-plays-letter.pdf** · Full color, US Letter
- **guide-100-plays-a4.pdf** · Full color, A4
- **guide-100-plays-low-ink-letter.pdf** · Low-ink: white pages, line art to color, US Letter
- **guide-100-plays-low-ink-a4.pdf** · Low-ink, A4

Pick one file for your paper size. Color and Low-ink files hold the same pages. Every file has the four extra planner pages (Monday and Sunday starts) at the back.

Printing

- Print at **100% / Actual size**. US Letter for North America, A4 everywhere else.
- Ordinary printer paper is fine. Print double-sided to save paper.
- Print just the pages you need: the play pages for your child's age, the tracker and a planner.
- To save ink, use the Low-ink file.
- A copy shop can print and bind the whole book.

Typing in

- Open the PDF in free Adobe Acrobat Reader (computer, phone or tablet) and tap a line to type.
- You can type into the blank "our own play" pages and every play-week planner.
- The 100 plays, pictures and colors are fixed and can't be edited.
- Save, then print, or print blank and write by hand.

Where to begin

- Read **Safety first** (page 7) and **How to use this book** (page 5).
- Turn to your child's age band: ages 0–1 (page 13), 1–2 (page 27), 2–3 (page 43) or 3–5 (page 59).
- Worn out? Start with **Tired-grown-up plays** (page 77).
