Talk and play at bath time

Six words for the tub, one on every page, each with a short grown-up tip. Say it, pause, and wait for a turn. A look, a sound or a splash counts.

Talk, sign, sing and read in the language you know best.

Bath safety: stay within arm's reach every second. This book is for talk and play, not a float or a seat.

Care: squeeze out water, wipe dry and stand the book open to dry after each bath. Check every page before each bath; stop using it if anything splits or peels.
